BRIDGE WIDENING ON NH ROUTE 116 IN EASTON
WILL REQUIRE ONE LANE TRAFFIC FOR EIGHT WEEKS

The New Hampshire Department of Transportation announces work is scheduled to get underway on Monday, March 10 in Easton on the widening of the NH Route 116 bridge over Wild Ammonoosuc River.

This bridge-widening project, which is being undertaken by the NHDOT's Bureau of Bridge Maintenance, will require single lane traffic and is expected to take eight weeks to complete. Daily work hours will be from 7:00 am until 3:30 pm.

Warning signs, stop and yield signs and concrete barriers will be used to guide motorists safely through the work zone. Motorists driving on Route 116 in the Easton area are asked to use caution when proceeding through this work area. Minor delays can be expected.
